CCPA Offices

35 Cold Spring Road, Suite 522, Rocky Hill

Program Overview

Join CCPA for this informational seminar which will focus on establishing an effective corporate compliance program.

Presenters

Joan W. Feldman is Chair of the Health Law Practice Group of Shipman & Goodwin, LLP. She has devoted her legal career to representing health care providers in connection with health care, business, regulatory and administrative law matters. Joan is general and special counsel to acute, general, specialty, academic medical center and chronic disease hospitals, skilled nursing facilities, home health agencies, hospice providers, behavioral health providers, durable medical equipment providers, clinical laboratories, organ procurement organizations, physician certification boards. Joan is a frequent speaker, educator and prolific writer on a variety of subjects of interest to health care providers, including compliance, medical ethics, regulatory and reimbursement matters and health care reform, including accountable care organizations, medical homes and other innovative strategies focused on cost containment and quality improvement.

Vincenzo Carannante is an associate in the firm's Health Law Practice Group. He represents hospitals, federally qualified health centers, behavioral health providers, organ procurement organizations, tissue banks, clinical laboratories, home health agencies and physician practices. Vincenzo counsels clients on a wide range of state and federal health care regulatory and business matters, including Medicaid and Medicare issues, contracting, fraud and abuse, licensure, government investigations and audits, RAC audits, medical staff, affiliations, physician recruitment, probate court matters, reimbursement, privacy of medical information, corporate compliance and risk management issues.

Bill Roberts is an associate in the Health Law Practice Group and a member of the Life Sciences and Medical Products Client Team. Bill has experience representing hospitals, health care providers, federally qualified health centers and behavioral health care facilities on a broad range of business and regulatory issues. Bill regularly advises clients on corporate and regulatory compliance, medical staff matters, fraud and abuse, telemedicine, licensure, social media, government and internal investigations and risk management issues.
