Re: **An Opportunity for Reduced Membership in NCCBH in FY08**

I'm pleased to announce that once again, CCPA Members are eligible for a special discounted membership in the National Council for Community Behavioral Healthcare (NCCBH).

We have made arrangements so that CCPA members are able to take advantage of all of the NCCBH products and services for just \$500 (as opposed to the \$2,900 a free-standing NCCBH member would pay). Checks should be made to: CCPA. We hope you will take part in this exclusive arrangement. I've enclosed some information on member benefits, as well as an invoice for your convenience.

As you may know, CCPA recently initiated a partnership with Essential Learning, a web-based e-learning provider designed especially for human service organizations. CCPA members are eligible for a 10% discount off all individual courses or off the purchase of a complete Learning Management System. **NCCBH members in good-standing are entitled to an additional 10% off the purchase of a Learning Management System, for a total savings of 20%! For more information on how you can take advantage of this deal, go to: [www.ccpa-inc.org/events.html](http://www.ccpa-inc.org/events.html)**

The NCCBH membership dues cycle runs from October 1, 2007 to September 30, 2008. If you have any questions, please contact me at (860) 257-7909 or [kmaigarie@ccpa-inc.org](mailto:kmaigarie@ccpa-inc.org)
